THE CONFERENCE

In 2016 GPD will land in the Caribbean Region with GPD CUBA, in conjunction with CUBA GLASS, which will be held on 6th and 7th December in Havana.

GPD CUBA features:

- independent forum dedicated to the development of the global glass industry through education;
- technical presentations to share the latest advances in glass technology;
- chance to meet your customer from Central, South and North America in a relaxing scenery;
- strength your brand while making a good impression through your educational presentation;
- GPD Cuba and Cuba Glass make your time use effective and gives you the opportunity to enter a potential new market.

THE VENUE

Meliá Cohiba Havana, Calle Paseo e/1ra y 3ra, Vedado, Havana - Cuba, www.melia-cuba.com/cubahotels/hotel-melia-cohiba.

Boasting spectacular views over the city and the seafront, the 22-storey Meliá Cohiba offers comfort and elegance in keeping with its 5 star status. Located in the central business district of Vedado, the most modern area of downtown Havana, and just 50 meters from the famous Malecon esplanade (Avenida del Maceo), the hotel is a metropolitan landmark for business and conventions.
