GLASS PERFORMANCE DAYS 2019

JUNE 26–28, 2019, TAMPERE, FINLAND

THE LEADING & GLOBAL CONFERENCE ON ARCHITECTURAL, AUTOMOTIVE & SPECIALTY GLASS

Glass Performance Days (GPD) is an independent forum dedicated to the development of the global glass industry through education.

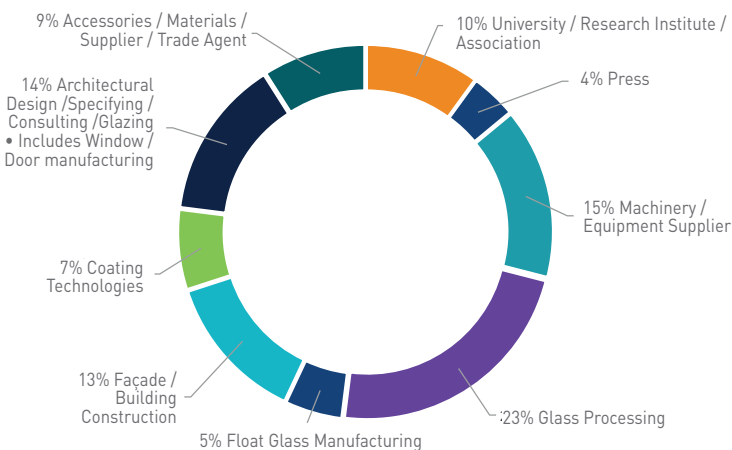

The 2019 GPD event will address the challenges the industry faces today regarding the smart cities, building design, energy-efficiency and environmental fit.

A special focus will be on the contribution of new technologies to these demands.
