THE APPLICATION OF SGP GLASS INTERLAYER MATERIAL

ABSTRACT

To satisfy the increasing demands of the safety construction glass and special glass, SGP glass interlayer foil, which makes the laminated glass performance exceeding all the other glass, is the new invention of modern extra safety glass interlayer. Hongbaoxin SGP, which is developed with our own knowledge property formula, is now the only importing substitute product in China. This article describes the characters and applications of HBX SGP interlayer material

SGP中间层材料的应用

摘要：为了满足现代社会日益增加对安全建筑玻璃及特种玻璃进步的需求，SGP玻璃中间膜是现代超安全玻璃中间膜的最新发明，能使夹层玻璃的性能超越了现代技术产品。泓宝信SGP是当今中国唯一的替代进口产品，拥有自主知识产权配方。本文阐述了泓宝信SGP中间层材料的特性及应用。
